

Veteran Speaker Program

Let Their Legacy Inspire Your Workplace

It doesn't have to be Veterans Day, Memorial Day, or even the Fourth of July to honor service. Every day is an opportunity to cultivate an atmosphere of teamwork and citizenship. Inspire your employees through service stories. More than 50 veteran presenters are available to share lessons that can be applied to the workplace.

Some of our speakers include:

COL (Ret.) Tom Kirk, a Vietnam War POW who spent 5½ years in the "Hanoi Hilton."

COL (Ret.) Jim Kelsey, who was in charge of 26,000 military intelligence operatives worldwide during the Cold War.

LTC (Ret.) David Clukey, a special forces operator who served a record 11 combat tours fighting the War on Terror.

COL (Ret.) Tim Geraghty, Marine commander in Beirut, Lebanon during suicide truck bombing in 1983.

Your Company, Our Impact

90% of companies indicated that partnering with reputable nonprofit organizations enhances their brand.

87% of companies believe their employees expect them to support causes and issues that matter to those employees.

77% of companies believe that offering employee engagement opportunities is an important recruitment strategy.

"SRP truly values the time the incredible speakers from VHP spend with our company. The stories told from the veterans resonate with our employees and further strengthen the appreciation we have for these brave individuals."

Jason Dudley, SRPVets

Since 2004, VHP has served more than 2,100 veterans and 43,000 students in the Arizona community.

Schedule a veteran speaker for a \$1,000 tax-deductible contribution. Your gift will help develop the character and civic responsibility in students by providing experiential learning programs that honor veterans and preserve their legacy.
